

TK7

BATTERY ELECTRIC / PLUG-IN HYBRID

Life, in motion.

FOR THE EVERYDAY. AND THE EXTRAORDINARY.

CITY / COAST / COUNTRY

ROOM FOR EVERY PART OF LIFE

THE IDEA IS SIMPLE

Designed around your life.

Room to move. Space to settle. Technology that feels familiar.
A family journey works best when everything fits naturally
around the people sharing it.

01

/ **SPACE**

For the people and plans
you bring.

02

/ **CALM**

Comfort that lets
everyone settle in.

03

/ **CONNECTION**

Familiar technology,
close at hand.

2900 mm wheelbase

THE EVERYDAY, TOGETHER

Small plans. Shared moments.

School days, park days, a new place to discover.
Room for the people who make every journey matter.

DISTINCTIVE BY DESIGN

Presence, without excess.

SIGNATURE LED LIGHTING

A distinctive front signature. A full-width rear light.

SPACE TO SHARE

A place for everyone.

A spacious three-row cabin, with layouts for different families and different markets.

2900 mm
wheelbase

6, 7 or 8
seats, depending on version*

*BEV: 6 or 7 seats. PHEV: 7 or 8 seats. Availability varies by market and trim. Seating illustration shown.

TK7 / LIFE, IN MOTION

05

EVERYDAY VERSATILITY

More to bring. More room for it.

37

storage compartments

A stowable third row on selected BEV versions makes room for larger loads. A separate front storage compartment adds everyday flexibility.

Storage features and seat functions vary by version. Image shows the third row stowed.

YOUR OWN PLACE TO UNWIND

Your space to slow down.

Your own space

Individual second-row seats on selected layouts give passengers their own place to relax.

Thoughtfully fitted

Available power adjustment, seat ventilation and driver massage bring extra ease to longer journeys.

Open to the sky

An available panoramic sunroof brings more light into the cabin.

CONNECTED CABIN

15.6 inch centre touchscreen

Intuitive. Connected.

A clear view of your information.
Familiar smartphone connectivity.
Everyday details that feel easy to use.
Right-hand-drive cockpit shown.

Apple CarPlay &
Android Auto

50 W
wireless charging

Connectivity and charging features vary by market,
trim and compatible device.

BEV / BATTERY ELECTRIC

A quieter kind of energy.
Ready for the journeys you share.

≥600 km_{CLTC}
EU Privilege / Six-seat BEV

All-electric drive / AC & DC charging / Regenerative braking

78.8 kWh*

TK7 / LIFE, IN MOTION

Range refers to the confirmed six-seat EU Privilege BEV. Actual range varies.

*Battery capacity is preliminary.

PHEV / PLUG-IN HYBRID

Beyond the familiar.

Electric drive for everyday journeys, with the flexibility of a petrol engine for the road ahead.

39 kWh
battery capacity

Plug in at home.
Refuel on the road.

MAKE TIME TO STAY A LITTLE LONGER

Stay a little longer.

3.3 kW

External power

Vehicle-to-load operation requires a compatible discharge adapter, supplied separately. Equipment varies by version.

THOUGHTFUL SUPPORT Confidence, all around.

01 / **Support on the road**

Available adaptive cruise control, autonomous emergency braking and lane assistance help support everyday driving.

02 / **Protection around you**

A high-strength steel body structure and available side curtain airbags add layers of occupant protection.

03 / **Battery care, built in**

Liquid cooling and battery heating help manage battery temperature.

A CHANGE OF PACE

A different view. The same ease.

A long roofline, clean side surfaces and a distinctive rear light signature. Unmistakably TK7, wherever the road takes you.

SPACE IN THE PROPORTIONS.
CHARACTER IN THE DETAILS.

BEV + PHEV / AT A GLANCE

Two ways to move your world.
Two powertrains, with space and everyday ease at the heart of both.

Confirmed six-seat EU Privilege BEV: ≥600 km CLTC driving range. See page 09.

SMALL DETAILS / A BIGGER IMPRESSION

Considered in every detail.

Distinctive lighting, sculpted surfaces and
a confident stance bring the design together.

01 / ———

A signature
from either end.

02 / ———

Sculpted surfaces.

Clean lines, chrome window trim
and distinctive light details.

TK7

LIFE, IN MOTION

For every part of life.

CITY LIGHTS. OPEN ROADS. SHARED MOMENTS.

BATTERY ELECTRIC / PLUG-IN HYBRID
